

A Closer Look at Your Region

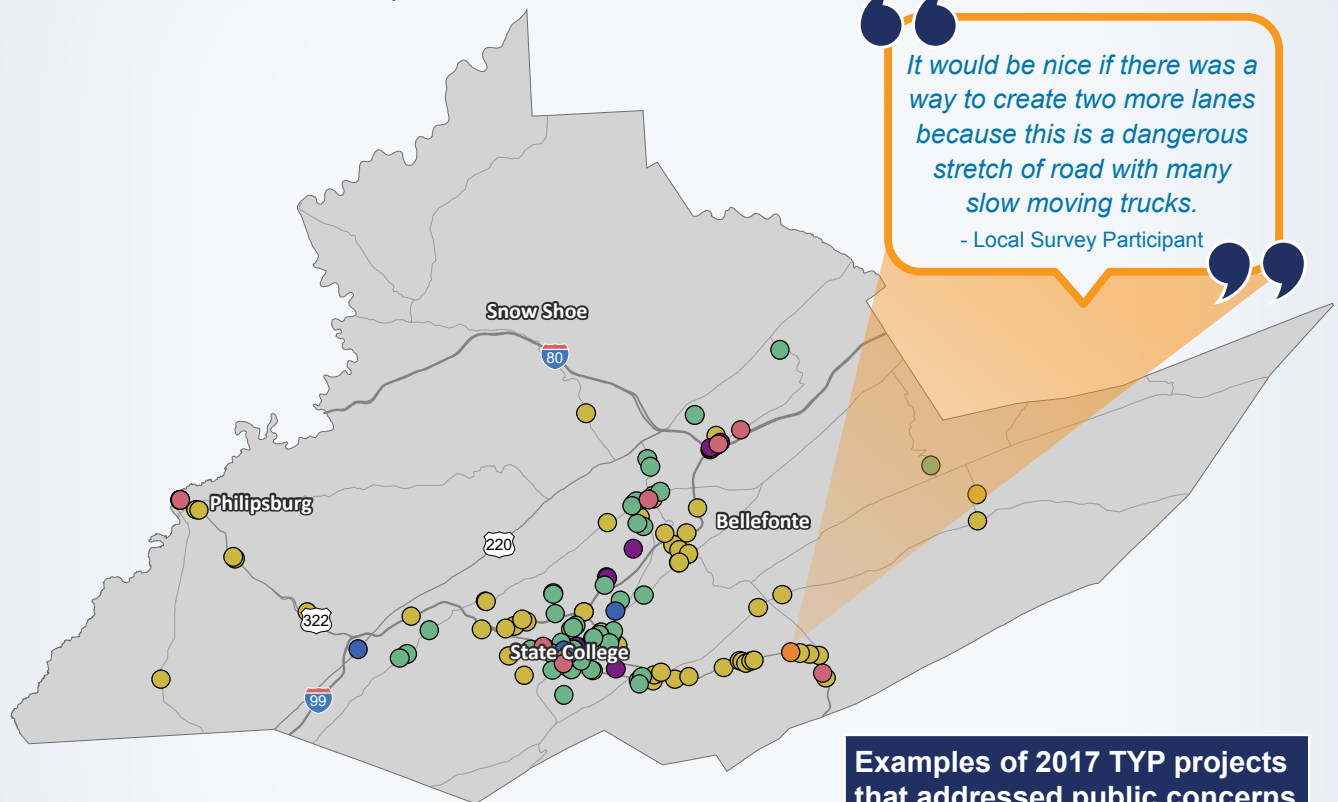

The State Transportation Commission's six-week public comment period for the 2019 Twelve Year Program (TYP) Update began in March and concluded in April 2017. During the comment period, the public had the opportunity to take an online survey and participate in an online public meeting. All public feedback received was analyzed to better understand public priorities and transportation trends.

State Transportation Commission
2019 Twelve Year Program Update

Transportation Issues Identified

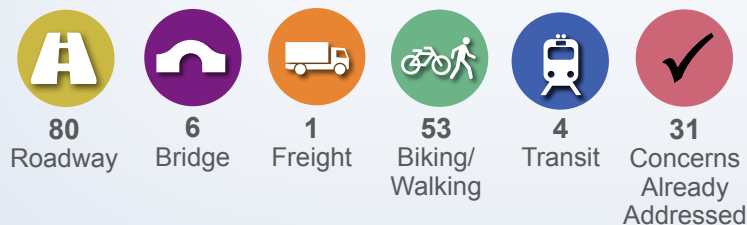

Statewide, survey participants mapped over **3,500** transportation concerns. **175** of these are located within the **Centre County MPO region**.

During the mapping exercise, some discovered their concerns were already addressed by projects on the 2017 TYP. See the map and data below for more details.

Number of Issues Identified

The icons below correspond with the dots on the map.

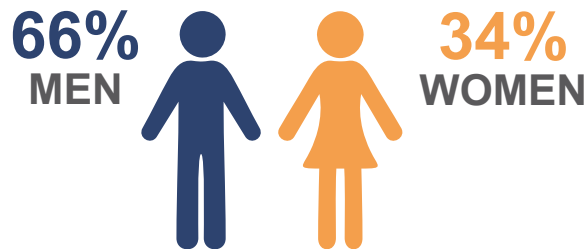

Examples of 2017 TYP projects that addressed public concerns

- I-80 Bellefonte Interchange
- Route 322 Potter Township Relocation
- Route 26 Resurfacing
- Atherton Street Restoration
- Route 150 Safety and Congestion Improvements
