

A Closer Look at Your Region

The State Transportation Commission's six-week public comment period for the 2019 Twelve Year Program (TYP) Update began in March and concluded in April 2017. During the comment period, the public had the opportunity to take an online survey and participate in an online public meeting. All public feedback received was analyzed to better understand public priorities and transportation trends.

Transportation Issues Identified

Statewide, survey participants mapped over **3,500** transportation concerns. Some discovered their concerns in other portions of the state were already addressed by projects on the 2017 TYP, though no projects were identified in the Northern Tier region. You can review the statewide results in more detail at www.TalkPATransportation.com. **Five** transportation issues were identified in the **Northern Tier region**. See the map and data below for more details.
