

TELL US WHAT YOU THINK!

PSA Script

Every two years the State Transportation Commission (STC) and PennDOT update the [12-Year Transportation Program](#) (TYP) to reflect the public's needs and prioritize transportation projects. PennDOT invites the public to join the conversation during the 2023 Public Comment Period for the TYP update, which begins Wednesday, March 1, and continues through Sunday, April 30.

You can tell PennDOT what you think by taking the [Transportation Survey](#) or attending the Online Public Forum on Wednesday, April 12, from 6:30 to 8:00 p.m. The public forum will feature a presentation from PennDOT leadership and members of the STC and a live, transportation-related Q&A session.

PennDOT will make all reasonable modifications to policies, programs, and documents to ensure that people with disabilities and those with limited English proficiency have an equal opportunity to enjoy all of the programs, services and activities. Individuals interested in attending virtually and who do not have Internet access should contact the Department at 717-783-2262 to obtain the call-in number for listening in only.
