

## A CLOSER LOOK AT YOUR REGION

The State Transportation Commission held a 60-day Public Comment Period for the 2025 12-Year Program (TYP) Update from March 1, through April 30, 2023. The public was invited to provide input through taking the Transportation Survey and participating in an Online Public Forum. The Online Public Forum, held on Wednesday, April 12, was broadcasted on a webinar platform with a call-in option, and on Facebook Live. The public could also request assistance to participate in the Survey or Public Forum by contacting PennDOT's Program Center by email or phone. All public feedback received was reviewed and compiled to convey current transportation priorities and trends statewide and regionally for the benefit of the Metropolitan and Rural Planning Organizations (MPOs and RPOs) across the commonwealth.

### Transportation Issues Identified

Statewide, survey participants mapped about **4,250** transportation concerns, **38** of these are located within the **Northwest RPO region**.

“ Venango is residential and needs sidewalk improvements to get walkers and bike riders off of Highway 619. ”
